Rhythm of the Caribbean

The Caribbean springs to life with our Rhythm of the Caribbean program! The party starts from the time you sail away. Pick your poolside drink and get lost in the rhythms of calypso and reggae music played on a steel drum. A Terrace Pool Gold Party is inspired by legends of pirate ships and buried treasure, and kids will get a kick out of swashbucklin' fun as they learn how to talk, dress and dance like pirates. In between festivities, meet the colorful parrots and macaws in the Piazza and gaze into the stars just as ancient explorers once did.

EASTERN CARIBBEAN

Known for world-famous beaches, snorkeling and shopping, this is the perfect option for a sunny vacation.

Welcome to one of the greatest modern marvels. The Panama Canal is one of the cruise wonders of the world and an experience that's full of unexpected delights. When you sail the Panama Canal with Princess®, not only do you get to transit the Panama Canal, but you'll also encounter diverse cultures along the way. Whether you decide to do a full transit of the canal or a partial transit from the East coast, this adventure is one you'll hold on to forever.

In 1967, Princess became the first cruise line to take guests through the Panama Canal, transiting the world's greatest shortcut. Today, Princess remains the #1 cruise line for traversing the jungle-draped and culture-rich destination – taking more guests through the Panama Canal than any other cruise line.⁶³ Watch from the Promenade deck or from your balcony as your ship is raised and lowered through the Panama Canal's lock system, powered by gravity using water pulled from Gatun Lake, and you'll be struck by the capacity of human ingenuity.

#1 IN THE PANAMA CANAL

As an exclusive benefit of cruising with us, a Panama Canal expert will give a live narration from the bridge as you transit the Canal, providing history and insight along the way.

Original fares and other amounts shown are quoted in U.S. dollars unless stated otherwise; are available in North America only; are per person based on double occupancy and represent the lead-in introductory fares and are subject to change. "Cruise fares" and "Cruisetour" include accommodations from the initial point of vessel embarkation to the final point of disembarkation as specified in the travel itinerary ("the itinerary"), and all regular meals and entertainment while on board. "Cruise fares" and "Cruisetour" do not include airfare (unless specifically mentioned), transfers (except as noted in the itinerary), shore excursions, sightseeing or meals ashore (except as noted in the itinerary), taxes, fees and port expenses; crew incentives or service charges to ship and airport personnel, waiters, escorts and drivers (except as noted in the itinerary); beverages (not part of the regular menu); laundry service, or any other item of a personal nature. The cruise ticket and hotel packages are valid only for the named guest and may not be sold or transferred.

- Single Occupancy Fares. Single guests occupying a stateroom pay an exclusive occupancy supplement of 200% for all categories.
- Third and fourth guest. Special third- and fourth-guest fares may be available. Call 1-800-774-6237 for fares.
- Cruisetours. Cruisetour stateroom upgrade fares are available. Call 1-800-774-6237 for upgrade amounts.

Taxes, Fees & Port Expenses. The term "Taxes, Fees & Port Expenses," as used by us, may include any and all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third-party fees and charges arising from a vessel's presence in a harbor or port. Taxes, Fees & Port Expenses may include U.S. Customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees. Taxes, Fees & Port Expenses may be assessed per guest, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of guests on the Ship. Taxes, Fees & Port Expenses are subject to change and Princess reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

Fares, Other Charges and Schedules Subject to Change. Every effort will be made to adhere to the specifics shown herein and in the itinerary; however, circumstances may necessitate alterations. All fares for cruises and cruisetours and/or air/sea packages or other charges as well as schedules, port calls, hours of arrival and departure and special programs are subject to change without prior notice. Accordingly, Princess is not responsible for the change or cancellation of any personally scheduled event because of alterations to the itinerary of any cruise or land tour. Any cruise may be cancelled by Princess. Rates are published herein and no verbal quote to the contrary or misquotes will be honored. Princess reserves the right to collect any fare increase in effect at the time of sailing, even if the fare has already been paid in full.

All credit card payments for cruises should be phoned in to 1-800-421-1700.

Preparing for your cruise. As you prepare for your Princess vacation, you will need to provide us with important information. Please visit the Cruise Personalizer at [princess.com](https://www.princess.com) and review the Passage Contract, complete all required. Then visit the App Store or Google Play to download the MedallionClass app. Once you have downloaded the app, open and follow the instructions to create an Ocean Profile and get OceanReady. Immigration details should be completed online using the MedallionClass™ app as part of the OceanReady™ check-in process. Your Travel Summary, which may be viewed at any time from Cruise Personalizer, includes your itinerary, travel document/visa/vaccination requirements and more. Any additional documents such as airline eTicket receipts or paper air tickets, etc., may be sent via fax, mail or email to your travel advisor approximately 14 days prior to departure. If Internet access is not available, your travel advisor will assist you in securing the necessary information or call 1-800-774-6237 for assistance.

Digital Documents. To help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Answer Place at [princess.com](https://www.princess.com) as well as other helpful advice.

OceanReady Pass and Luggage Tags. If you've completed the required OceanReady™ check-in and have your Medallion™ device, you can expect a streamlined embarkation. If you have not received your Medallion™ ahead of time, you will be asked to show your OceanReady pass to terminal personnel during the health screening process and once again at check-in. This pass can be accessed through the Medallion™ app on your smart device. To streamline the check-in process, we ask that you print your OceanReady pass. Your OceanReady pass only becomes available once you complete your health questionnaire and accept passage contract and acceptances. Please remember to have your Medallion™ and your mobile device with the MedallionClass™ app downloaded when you get to the terminal. Printing your luggage tags is fast and easy! Beginning 75 days prior to sailing, you can print your luggage tags once the booking is paid in full and we've been provided with all your guest immigration information and credit card registration. Simply log-in to Cruise Personalizer™ to access and print this information.

Cancellation of Reservations. Cancellation notices must be received by Princess via telephone or via electronic device through a Princess-authorized Computerized Reservation System (CRS). Changes of sailing date or substitution of guest names are

considered to be cancellations and new bookings. All sailing date changes and name substitutions are subject to space availability and, if accepted, are subject to the rates, discounts, cancellation fees and booking conditions in effect at the time of the change or substitution. All guests are required to pay a cancellation fee (including third and fourth berth where deposit is applicable) if they cancel their cruise, cruisetour or Cruise Plus package. Cancellation fees are based on the fare paid, excluding Taxes, Fees & Port Expenses, transfers, fuel supplement (if applicable), shore & land excursions and most special service items. The amount of cancellation fee varies based on length of sailing for cruise/cruisetour and timing of cancellation for cruise/cruisetour and Cruise Plus package, as illustrated in the schedules below.

Cancellation Fees and Refunds. The following policy applies to cancellations with respect to cruise or cruisetour fare and pre-cruise and post-cruise package charges ("Total Charges").

Days prior to Cruise or Cruisetour Departure date, whichever comes first

CRUISES 5 DAYS OR LESS	CRUISES 6-24 DAYS	CRUISES 25 DAYS AND MORE	CANCELLATION FEE
74-45	89-57	119-90	Deposit Amount
44-29	56-29	89-64	50% of Total Charges
28-15	28-15	63-43	75% of Total Charges
within 14 days	within 14 days	within 42 days	100% of Total Charges

Any refund owed to you will be made directly to your credit card account or your travel advisor and you must receive your refund directly from these sources.

Some travel advisors may, at their discretion, withhold an agency cancellation fee. Princess is not responsible for payments made to the guest's travel advisor but not received by Princess, or for the guest's receipt of any refund which Princess has paid to the guest's travel advisor. There will be no refund of cancellation or interruption fees by Princess under any circumstances. You must recover such fees from your own insurance or from Princess Vacation Protection/Princess Platinum Vacation Protection.

Cancellation Policy Exception. If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your cruise or cruisetour fare if you cancel your booking.

Baggage Handling. Princess makes every effort to assist its guests in safeguarding their belongings and valuables, but all guests' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the guest at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, we have provided a safe in each stateroom. For flights within land tours and to and from the ship, weight restrictions on baggage apply.

Stateroom Occupancy. Occupancy of any stateroom(s) is limited to the number of berths in that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

Important Notice Concerning Safety. The U.S. Centers for Disease Control and Prevention publishes travel advice, warnings and recommendations related to COVID-19, including for travel on cruise ships, which you should consult at <https://www.cdc.gov/travel/notices/covid-4/coronavirus-cruise-ship> before confirming a reservation.

If a threshold of COVID-19 is detected on board, the voyage will be ended, the ship returned to the port of embarkation, and your subsequent travel or return home may be restricted or delayed.

Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety on board its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar

government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that guests and their travel advisors obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

Travel Advisors. Your travel advisor acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel advisor to make your Princess reservations or call 1-800-774-6237.

Travel and Health Documents. Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the guest to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Guests who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Guests should consult their travel advisor for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

Health Notice. Guests requiring special medical care during their cruise should contact their travel professional or call 1-800-774-6237 for additional guidance.

Guests with Limited Mobility. We recommend guests with limited mobility or using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require water shuttle to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Guests who require the use of a mobility device must provide their own for use on board as well as the land portion of a cruisetour and a Cruise Plus hotel package.

Guests using a power wheelchair should notify their travel advisor or Princess Cruises at the time of booking to ensure appropriate accommodations.

Full time wheelchair or scooter users and power wheelchair users who have purchased Princess shore excursions, transfers or are booked on the land portion of a cruisetour or Cruise Plus hotel package are requested to complete the Mobility Questionnaire (available on [princess.com](https://www.princess.com)) and send this information to the Access Office to ensure accommodations. Guests who do not use a mobility device and cannot climb steps onto a motorcoach should also complete a Mobility Questionnaire.

Please submit completed Mobility Questionnaires or mobility questions or concerns to the Access Office in writing at accessoffice@princesscruises.com or by fax 661-284-4408.

Completing a Mobility Questionnaire helps our Access Office to properly assist you with your accessibility and mobility needs and is not a confirmation of a reservation in an accessible stateroom. Accessible staterooms are subject to availability, must be reserved, and are not confirmed until booking and assignment have been completed. Please discuss your cabin needs with your Travel Advisor or our Reservations Department. For more information, please see our mobility FAQs at [princess.com/learn/faq_answer/pre_cruise/prepare.jsp](https://www.princess.com/learn/faq_answer/pre_cruise/prepare.jsp)

If you have purchased Princess Air and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

Refusal of Passage and Premature Disembarkation. Passage may be refused to any guest, and any guest's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the guest's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else on board the ship. Additionally, the ship's Captain may refuse transportation to any guest or may terminate any guest's voyage who, in the sole discretion of the ship's Captain, is believed to be

dangerous to himself or others or whose presence on board causes or may cause disturbances to Princess' guests or crew, including those guests engaging in excessive, disruptive, or obscene behavior. Such guest may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any guest who must leave the vacation prematurely for any of the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the guest. Princess reserves the right to refuse to do business with any person.

Medical Center and Staff. Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any guest. These medical providers exercise their own medical judgment and expertise.

Pregnancy. Princess medical centers do not have neonatal ICUs. As the health and safety of mother and child are so important to us, we cannot accept guests who have entered the 24th week of estimated fetal gestational age at any time during the cruise.

Children/Age Requirements.

Cruise: Infants must be at least 6 months of age at the time of embarkation in order to sail.

- Children must be at least 12 months of age at the time of embarkation in order to sail on the following: Transocean crossings (Atlantic, Pacific, Indian, Antarctic, Arctic, etc.) and remote itineraries where there are more than two consecutive sea days. This excludes voyages which navigate adjacent to coast lines where appropriate emergency pediatric medical care may be available at a port of refuge, or from external support, within one day of cruising.

- Any other itinerary which may in the opinion of the Medical Department present a significant risk to infants between 6 and 12 months of age requiring emergency medical care.

- This would include World Cruises (excluding coastal segments), South America, Panama Canal, crossing the Tasman Sea (Australia-New Zealand), South Pacific Islands, including Hawaii-Tahiti (excluding fly cruising to French Polynesia with local cruising only).

All requests for an exception to the policy for infants between 6 and 12 months must be approved by the Chief Medical Officer.

Cruisetours: The minimum age for escorted cruisetours is 5 years.

Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. All guests under the age of 21 years must be accompanied by a guest who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for guests under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Guests under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth Centers and Teen Lounges for special disco events designed for kids and teens.

- For cruises operating in Australia: For cruises departing from Australian ports between November 1 and January 7, any guest under 19 years of age on the day he or she boards the cruise, must travel in the same stateroom as a responsible adult 19 years or older. In addition, from January 8 to 31 January, there is a limit on the number of guests under 19 years of age who can travel unaccompanied. Once the limit is reached, a responsible adult 19 years or older must travel in the same stateroom. We can advise you at the time of booking whether the limit applies to your booking. Princess Cruises can waive the responsible adult requirement at its discretion. The responsible adult is accountable for guests under 19 years of age in their stateroom for the duration of the cruise, and the "Rights of the Captain" will be applied to anyone who displays disruptive behavior.

- For cruises operating in Japan: All guests under the age of 20 must travel with a guest age 20 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that he or she will supervise any guests in their care at all times to ensure all policies are strictly adhered to by all guests under their supervision.

- For cruises operating in China and Singapore: All guests under the age of 18 must travel with a guest age 18 or older. Additionally, for Groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student and youth groups that do not conform to our minimum age requirements. Each guest agrees that they will supervise any guests in their care at all times to ensure all policies are strictly adhered to by all guests under their supervision.

Pets. We are unable to accommodate any animals on board the vessel, except for certain service animals of guests with disabilities. Call 1-800-774-6237 for details.

Shore Excursions and Land Excursions. These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour, whether or not such shore excursion or tour was purchased through Princess.

Land and Air Arrangements. Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

Cruisetour and Cruise Plus® Hotel Programs. Princess reserves the right to substitute hotels of similar

type and other features of the tour or hotel package. Bookings made for cruisetour and Cruise Plus Hotel Packages after tickets have been issued may result in a higher cost due to changes in air reservations. Hotel check-in times vary, but are generally between 3 pm and 5 pm unless otherwise stated. Check-out times vary between 10 am and noon. All special requests such as non-smoking rooms, king-size beds, etc., are at the discretion of the individual hotel property. Every effort is made to accommodate your request, but it cannot be guaranteed. Please note: single occupancy rooms may be quite small, with one twin, and triple occupancy rooms may have one double bed and a rollaway, not recommended for three adults. Hotel loyalty programs are at the discretion of the individual hotel properties. Most hotels are not owned or operated by Princess. Land programs require a minimum number of guests to operate.

Claims for Injury, Illness or Death/Notice

Requirements/Time Limits. Any incident or accident resulting in injury, illness or death to the guest, whether occurring on board ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or bodily injury, illness or death to the guest unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and (C) valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within one year from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and (C) valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out

of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in United States District Court for the Central District of California in Los Angeles, or as to those lawsuits over which the Federal Courts of the United States lack subject matter jurisdiction, before a court located in Los Angeles County, California, U.S.A.

Smoking, Drinking and Gaming. Smoking is prohibited in guest staterooms and balconies. Violations of this policy will result in a \$250 fine for each occurrence, which will be charged to the guest's stateroom account. Clearly marked "Designated Smoking Areas" are available on board and include a sufficient number of ashtrays that are emptied regularly. The Casino and Casino Bar are non-smoking areas on board, with the exception of designated slot machines where guests are permitted to smoke only while playing at those machines. All table games are non-smoking. The Casino will also have one or more non-smoking nights, depending on length of voyage. Show lounges, dining rooms and all food services areas on board all Princess ships are non-smoking. The use of electronic cigarettes are permitted within the confines of designated smoking areas only. Smoking and non-smoking areas are subject to change. Please contact 1-800-774-6237 for more information.

The age for gambling on Princess ships is 18 years old. The age for drinking on Princess ships is 21 years old*. Guests under the age of 18 will not be permitted in the Casino or Night Club after 11:00 p.m.

*For cruises between Australia/New Zealand, China, Europe and Singapore ports, the drinking age will be 18 years old. For cruises between Japan ports, the drinking age will be 20 years old.

Duty-free alcohol is available for purchase in our gift shops on board and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed on board. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne on board to celebrate a special occasion. Wine and/or champagne brought on board and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee, which is subject to change. Liquor, spirits or beers are not permitted. Alcohol outside of our policy will be removed and discarded.

Princess EZair® Program and Guest Transfer Gateway Cities. The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice.

Princess EZair® Program Booking Procedures, Identification and Refunds. Guests purchasing flights under the EZair Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on restricted fares are required to pay in full at the time of booking. Guests booked on flexible fares must pay in full no later than the Final Payment due date, as indicated by Princess Cruises' reservations system. All flights and air pricing are subject to change until full payment is received by Princess Cruises.

Guest agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e., Passport). All airline tickets are the property of the carrier and must be returned to carrier.

Guests purchasing flights under the EZair Program may choose their flight and class of service at the time of booking.

Ticketing. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revalidated, or exchanged for another carrier or routing. Many airlines will charge a fee for one or more checked bags. Please contact the airline in your itinerary for details.

Air Departure Taxes. Some countries require guests to pay an airport departure tax, which is not included on the guest air ticket. The individual guests are responsible for this tax. In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel advisor verify any applicable tax for which the guest may be responsible.

Airfares, Fees and Taxes. Airfares include air transportation and airline-imposed fuel surcharges. Air fees and taxes include any and all fees, charges and taxes related to air transportation imposed

by U.S. and/or foreign governmental or quasi-governmental authorities, including, but not limited to, guest facility charges, departure taxes, a Passenger Security Fee of up to \$11.20 per guest, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes).

Airline In-Flight Service Requests. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

Overnights. For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for guests to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at guests' expense. Guests will also be responsible for all meals and other items of a personal nature. Guests may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements.

Princess EZair® Late Arrival Protection. Guests who book air travel through Princess Cruises will be automatically enrolled in the Princess Late Arrival Protection program. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Princess will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the guest.

Flight Reconfirmation. Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

Air Refunds. Once airfare is paid in full, if air is cancelled, refunds may be available net of:

- any cancellation fees charged by Princess
- any cancellation fees charged to Princess or guest by airlines

Refunds will occur after the airline and Princess cancellation fees have been assessed. In the event a paper ticket was issued and the air tickets are not returned to Princess, there will be no refund.

Princess' Transfer Program. Cruise and cruisetour guests may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only.

They are available to both EZair guests and to those guests who have made independent flight arrangements. Unused transfers are not refundable. Transfers within the land portion of cruisetour and for Cruise Plus guests are included in the price. Transfers at both ends of a cruisetour will be charged separately. Note: It is your responsibility to know the local regulations regarding child safety seats or other child restraint systems as well as to provide the appropriate safety device. Failure to do so may result in denied boarding on to the transfer vehicle.
